

# Automotive Photography

You're the sales professional ...

*which car do you think will sell first?*

## *Look at the benefits*

- We offer a total photographic service.
- Regular scheduled visits.
- We'll help you organise everything to make sure you get the very best results.
- We'll professionally finish every shot.
- We'll electronically forward your photos wherever you need them to go.
- We're geared up to help you manage your entire inventory on line.
- The bonus? Your sales team get more time and more support to do what they do best ... sell cars.

You're looking at two photos of the same vehicle, and yet one just looks so much better.

That's the power of professional photography. And that's a power you can choose to boost your dealership performance.

As more and more customers use the internet to research and shop around, it's important to catch their interest with professional pictures that showcase your range to best advantage.

Our full time, professional photographers specialise in high quality, effective digital photography and they'll work with you to achieve a winning result.

## *Just press the button*

Just imagine the impact of fresh, professional imagery on your web site and your press ads. And all you need to do is press the button and we're ready to swing into action. To discover how easy it is to make this happen, simply contact your Dealer Solutions representative.
